Re: *Request to Provide Information Relating to the EPA's August 12, 2015, Stop Sale, Use or Removal Order (Docket No. FIFRA-10-2015-0141)*

Dear Messrs. Schulze and Dugan,

This letter responds to the August 26, 2015, Request to Provide Information Relating to the EPA's August 12, 2015, Stop Sale, Use or Removal Order (Docket No. FIFRA-10-2015-0141). Below are responses to each of the EPA's requests for records related to "Miraculous Insecticide Chalk" and "3pcs Cockroach Cockroaches Bugs Ants Roach Kills Chalk" products ("products").

- (a) EPA Request for Records: A description of all existing product inventory, including the location(s) where the products are held and total quantities.

Amazon Response: To the best of its knowledge, Amazon does not currently possess any existing product inventory in any of its Fulfillment Centers.

- (b) EPA Request for Records: A complete list of current and former Amazon distributors and sellers of such products, including their addresses.

Amazon Response: Attached hereto, please find an Excel Spreadsheet titled "Amazon Response to EPA Request Docket No FIFRA-10-2015-0141" with information regarding current and former third-party sellers that sold products through Fulfillment By Amazon (FBA) or Merchant Fulfillment Network (MFN). Please note that this document is designated confidential and may be used only for the purposes of this investigation.

- (c) EPA Request for Records: Records of all products received by Amazon or Amazon's affiliates in the past three (3) years. These records should include the date of receipt, the name and address of the origin of shipment, the quantity of products received, and the location of the warehouse where the products were received.

Amazon Response: This request is unduly burdensome. Please reference the sales and distribution information provided in response to request (d). This information includes quantity of products sold and the location of the warehouse where the products were shipped from, if applicable.

- (d) EPA Request for Records: Records of all sales and distributions of such products fulfilled by Amazon or Amazon's affiliates in the past three (3) years. These records should include the name and address of the origin of shipment, the date the shipment, the name and address of the destination of the shipment, and the quantity of products shipped.

Amazon Response: Attached hereto, please find an Excel Spreadsheet titled "Amazon Response to EPA Request Docket No FIFRA-10-2015-0141" with information regarding all sales through amazon.com, including sales by third-party merchants, in the past three (3) years. Please note that this document is designated confidential and may be used only for the purposes of this investigation. Also, please note that any customer contact information has been redacted from the order details. Tabs "FBA Data" and "Fulfillment Center Addresses" also include information on Fulfillment By Amazon orders and Amazon fulfillment center location information.

Please feel free to contact me if you have any additional questions or if we can be of further assistance.

Sincerely,

Kristy Madden
